

The Concord

1 Bedroom - 1 1/2 Baths

Size: 27'6" x 38'0" - 1,539 sq. ft.

Home Mark Homes

Classic Home Collection

Colonial styling and detail define the look of this classic cape. A formal living room and dining room flank the beautiful entry which also features an open foyer and powder room. A spacious breakfast nook is found next to the kitchen and features a patio door for easy access to outdoor activities like grilling. The first floor master bedroom is ideal for anyone who desires the convenience of single floor living. The second floor space can be finished for additional bedrooms, a media room or den.
