

# The Millbridge

2 Bedrooms - 1 Bath

Size: 24'0" x 40'0" - 960 sq. ft.

Home Mark Homes

## Classic Home Collection

**T**his practically sized home is popular for its simple yet stylish exterior, making it suitable for either a country or urban setting. A large eat-in kitchen makes dining a pleasure for any meal and there is still plenty of room for that antique cabinet or rocking chair. Entertain guests or spend a quiet evening at home in the spacious living room just off the foyer.
